

GRACE. WORSHIP. HOLINESS. GOD'S LOVE ...

These concepts, and many others, form the foundation of our faith. They are, in a word, elemental. **The question is whether or not your students can identify these elements.** Do they know these concepts exist? Do they understand how these building blocks affect how they see God? Or how they approach the Gospel? Or even how they interact with the world?

You want your students to know Who and what they believe. So do we.

Introducing *elements* from ym360.
