Important Points

- ◆ Teen Challenge is a Christian Growth Program for males only ages 13-17 who have life-controlling problems.
- ◆ We are a donation-based program; however, the parent's portion of a student's support is considered tuition. Our cost to sustain the program is \$2,200.00 per month (\$73.00 per day). This amount covers room and board, counseling (individual and group), continuing education for Jr. High and Sr. High (accredited school on campus), and direct supervision (24 hours a day, 7 days a week). Additional costs may apply such as: recreational activities for those who qualify, mission trips, etc. Deposits for damage or return fares are due at intake. (\$300.00 refundable deposit for damage to facilities/property, \$400.00 refundable deposit for return home fare if student is prematurely discharged)
- ◆ We trust God to make changes in the lives of our students. Our staff at Teen Challenge does not profess to work miracles but we certainly believe that God can. We are not always successful and there are occasions when we, after a period of time, will determine that we are not the correct facility for your child. At that point we work with the parents/guardians to make other arrangements for the student.
- ◆ **If a student chooses to leave the program early for any reason or is removed by us for failing to follow the rules no refund of tuition will be made.** If we choose to remove a student from our program for any other reason we will pro-rate the tuition portion based on the number of days the student has actually spent at our facility (\$73.00 per day). Per IRS regulations, any sponsorship money (i.e., not from parents or legal guardians) cannot be refunded. It will be up to the parents to let their sponsors know that their child has left our program.
- ◆ We have one (1) one week break each year during Christmas. It is required that all students leave the campus during that time. Tuition is based on a 12 month budget which includes the one week off. No refunds will be credited for this week.

If you have any questions, please call the Admissions Office at (775) 424-6777.

Monday through Friday 9:00 a.m. to 4:00 p.m.

TEEN CHALLENGE GOALS

God can change your life. One main goal of Teen Challenge is to show you how to depend upon God to compensate for problems that may be too hard for you to overcome on your own. No one can force you to change but your parents and other concerned people want to provide you a place to increase the chances and opportunities to make necessary changes.

Another main goal of Teen Challenge is to teach responsibility. You, the prospective student, need to be aware of the fact that your life-controlling problems are due mainly to the lack of your being responsible under God for your own actions. Therefore, if you are to overcome this lack, you must begin now to take steps of responsibility in securing help to overcome your problems. Teen Challenge will assist, guide, direct and help you in every way possible, but we will not take your responsibility from you. To do so would hinder individual responsibility.

Teen Challenge is not a free program. Someone has to pay the price. You must realize that there is a price to pay if you wish to receive help. You must put forth an effort yourself if you are to receive help and become a whole person, able to function as a responsible individual. You also need to have a grateful attitude toward those who have helped you in your time of need, and be willing to assist others in their time of need.

GENERAL RULES

There are rules everywhere. Schools, homes and nearly every public place has rules. Everyone has rules to follow. Even your parents have many rules that they must follow. There are rules at Teen Challenge. Most of the rules that are established at Teen Challenge are to help you change your life, not just to govern civil order. Therefore, you may find some of the following rules a little different from most you have seen in other places.

1. Drugs, smoking, chewing tobacco and alcoholic beverages are not allowed.
2. Profane language or bragging about past lifestyles is not permitted.
3. Secular music, gambling, books/magazines that are not conducive to Christian growth will not be permitted.

7. There will be no back talking, arguing or disrespect to staff members.
8. Proper care of Teen Challenge property is expected at all times.
9. All manner of unacceptable dress and hairstyles are subject to change at the staff's discretion. Students are expected to dress modestly at all times. Traditional dress clothes are required for church attendance.
10. No money is allowed on the student; it will be kept in a student account. All student spending is at the discretion of the staff. Money that is sent for the student's personal spending is to be in the form of a money order. **No checks will be accepted.**
11. All incoming and outgoing mail will be opened and checked by Staff. Staff will monitor all incoming and outgoing phone calls.
12. Visitors must be immediate family or approved individuals. All visitation plans must be cleared by the Administration **two weeks prior to the visit.**
13. Suitcases will be checked coming in and going out. The student will be allowed to bring only two suitcases or one trunk.
14. Students cannot have personal cars, bicycles, motorbikes or pets.
15. All personal belongings left by a student are automatically put in the donation room. If you should accidentally leave something at Teen Challenge and you **contact us within two weeks of your departure**, we will send the items to you C.O.D.
16. School supplies should be brought with the student and should include paper, pens, pencils, scissors, glue, protractor, ruler and two spiral notebooks.
17. If a student decides not to finish the school program or if the student is asked to leave, he must return to the same place of residence that he came from upon entering the program. A money order for the amount of return fare must be on file before entrance to the program will be allowed.

GENERAL INFORMATION F.A.Q.'S

What is Teen Challenge of Nevada?

Teen Challenge is designated to help young men find a meaningful answer to their problems, habits, and conflicts that control them, while continuing their education.

Who does Teen Challenge Help?

Any male from 13 through 17 years of age, who has a sincere desire to seek answers to their spiritual, emotional and physical problems.

What does Teen Challenge Offer?

Teen Challenge is concerned with the “total person”. Our program is structured to be aware of each person’s spiritual, emotional, physical, social and educational needs.

Spiritual: Teen Challenge deals with the student’s problems as symptoms that relate to deeper problems and conflicts. Zeroing in on a person’s spiritual need is when and where real healing in life begins. Instead of escaping their problems, they find, through the life of Christ, the changing power that gives the ability to cope with problems and live a more efficient life.

Emotional: The rebuilding of the used and abused mind is of key importance. The study of the Bible enhances mental growth by serving as the foundation for the restructuring of broken-down thought patterns while creating new and more stable ways of life. Individual and group counseling with experienced counselors and concerned staff members help individuals work out questions and conflicts, which they are facing.

Physical: Teen Challenge cares for such needs on a long-term basis. Assistance is given for shelter, food, clothing and recreation.

Social: Through the benefits of a group living situation, students are helped to work out relationship problems and to successfully relate to family and peers once they complete the program. Such interaction promotes a strong character of moral fiber, right attitudes and desires.

Educational: Teen Challenge provides an academic program for those who have not completed their high school education. The educational program is accredited and offers a high school diploma.

How Does The Program Work?

Teen Challenge operates a four-phase co-educational Christian growth program. Parents considering the program must commit themselves to approximately 15 to 18 months. We have found that our current four-phase program, and the appropriated months have been the most effective in meeting each student's needs.

Program Phases

Induction: The first ninety days at our live-in facility located in Sparks, Nevada. This phase involves screening and testing for academic placement, beginning school work, initial counseling, Bible studies, chapel services, daily chores, and recreation.

Training (Christian Growth): This phase provides a structured atmosphere where counseling and understanding of individual problems are combined with firm discipline. It includes Bible studies, chapel services, an on-campus accredited Jr. & Sr. High School, daily chores, church rallies and recreation. All of this is preparation for becoming a productive individual in society. This phase usually lasts twelve to fifteen months and ends in graduation.

Emerging Leader Program: 6 months commitment in residence. Students are placed in a position of responsibility termed "Student Intern". In this phase, the student applies the experiences of the previous phases and is prepared for re-entering society, home life and leadership.

How Much Does It Cost?

Teen Challenge is an international, non-profit, interdenominational, faith-based program ministering to people with life-controlling problems. Teen Challenge of Nevada Inc., is a nationally standardized program which is financially an entity of its own and governed by a local board of directors. It is not underwritten by any organization.

In order to maintain a student in this school, we depend on donors to cover the costs. It takes approximately \$73.00 a day (\$2,200.00 per month) to keep each student in school.

If parents are unable to provide the entire share of the tuition at Teen Challenge, they may want to solicit help from family, friends and their local church. School loans are also an option and offered through Sally Mae (ask for application during application process). Teen Challenge receives funds from concerned individuals, churches and other organizations, however these funds are applied to the general operating budget, and not to student tuition. It is assumed, that parents are assisting Teen Challenge to the fullest possible amount. Every case will be considered on an individual basis.

The **Donor Letter** is provided for you to use in creating sponsorships for your son. Friends, family and churches are invited to partner with you in getting your son the

assistance he needs at this time in his life. All donations are tax deductible with the exception of monies paid by parents or guardians. These donations will be applied to your son's account, and can not be used for personal spending. Parents/guardians are responsible to contact each donor to confirm their commitments. Parents/guardians are also responsible for the total cost of tuition, even when donors do not follow through.

It is mandatory that a parent or guardian accompany the student upon their arrival to the program. If you have any further questions, please feel free to write, or call.

Teen Challenge does not discriminate against any qualified person on the basis of age, sex, handicap, race, color, and national or ethnic origin.
