30-Day Prayer Challenge for Your Husband
We often don’t pray as if we believe God will show up and do something big, but prayer works, and God longs for you to be in prayer with Him. He especially desires you pray about your marriage and the one person you are spending the rest of your life with!

Do you feel the need to pray more earnestly for your husband and your marriage but not sure where to start?
Welcome to the 30-day prayer challenge.

Every day for the next 30 days, you will pray in a specific way for your husband. Some days there will also be an opportunity for you to read a related article, or watch a short video. Other days you'll be encouraged to journal or write down your thoughts about a particular marriage related prompt. Every day will also have at least one verse for you to study and pray over your husband.

You can start this prayer challenge any day of the month, but it might be easier to start at the beginning of the month, just to keep track of the days. It’s okay if you miss a day or two—life happens! If you do miss a day, you don’t need to go back and or start over. Just pick up with the corresponding day and, if you have time, you can go back to the days you've missed.

Ready to spend the next month praying for your husband? Ready to see your marriage transformed? Let’s get started!
